management center, Kermanshah, Iran

Director, Province skin diseases and Leprosy Clinic, Kermanshah, Iran 1994-1996

Physician, Emergency department, Imam Khomeini General Hospital, 1993-1994
Mahalat, Markazi Province, Iran

VOLUNTEER EXPERIENCES

Member, the Comprehensive Scientific Plan of health section, Tehran 2005-2007
University of Medical Sciences, Iran

HONORS & AWARDS

First grade of PhD in Health Care Management, 2007
Iran University of Medical Sciences, Tehran, Iran

Award Document & Prize as the Best Research, 2009
1st Abu-Reihan empirical Research Festival, Tehran, Iran

Award Document & Prize as the 2000
Best Health Research ,1st safe community Research Festival, held annually

by Ministry of Health, Iran

PROFESSIONAL SKILLS

conducting workshop

Disaster management in schools
Incident command system
Strategic planning
Principles of disaster management
Reproductive health in disaster
Research methods
Planning in crisis management for mine industries
Health consequences in disaster situation

Teaching experiences

Nutrition and health in disaster (Iran Helal Institute of Applied Science and Technology for BS students)
Disaster assessment (Iran Helal Institute of Applied Science and Technology for BS students)
Disaster and development (Iran Helal Institute of Applied Science and Technology for BS students)
Disaster recovery (Shahid Beheshti University for MS students)
Disaster management (1) (Iran Helal Institute of Applied Science and Technology for BS students)
Disaster management (2) (Iran Helal Institute of Applied Science and Technology for BS students)
Drug cycle management (Iran University of medical sciences for BS students)
Health management in disaster (shahid beheshti university of medical sciences for MPH students)
Medical Semiology (Kermanshah University of medical sciences for BS students)

Conducting Medically Oriented & Health Related Research

PUBLISHED PAPERS

Vasei N, badoohi N, Molavi M , **Jahangiri K**, Babaie A, 2009
To Determine La50 In Shahid Motahari Burn Hospital ,Tehran , Iran
Payesh journal

Jahangiri K, Mohamad K, Majdzadeh R, noorbala A,Zamani Gh, 2005

FIELDS OF RESEARCH INTEREST

Disaster & Crisis Management
Health care management and administration
Health Community based interventions
Alternative Medicine
Evaluation of Health Care management Programs

RESEARCH PROJECTS

- Study Investigator:** 2005
Earthquake and health preparedness analysis of the general public: designing an educational model
The Center of crisis management, Tehran, Iran AND Iranian Institute for Health Sciences Research
- Study Co-investigator:** 2006
Designing emergency plan for mines industries
ACECR of Iran Medical University and Mines Industries development organization

Study Investigator: Birth cohort analysis of chronic cough in Iran Iranian Institute for Health Sciences Research	2003
Study Investigator: Prevalence of chronic cough in Iran based on 2 national health survey School of public health , Tehran University of Medical Sciences	2002
Study Co-Investigator: Assessment of the nationwide program for prevention and control of hypertension Ministry of Health and Medical Education, Tehran, Iran AND Iranian Institute for Health Sciences Research	2005
Study Co-Investigator: Efficacy Analysis of Razi Hospital in Tehran, Tehran University of Medical Sciences, Tehran, Iran	2004
Study Co-investigator: Prevalence of cigarette smoking in teenagers of 17 th district of Tehran Tehran University of Medical Sciences	2002
Study Co-investigator: Health system promotion: Effective management Iranian Academic Center for Education, Culture & Research (ACECR) AND Iranian Institute for Health Sciences Research	2007
Study Co-investigator: A qualitative investigation into the health services delivery in Bam earthquake Iranian Academic Center for Education, Culture & Research (ACECR) AND Iranian Institute for Health Sciences Research	2006
Study Investigator: Designing a Model to Promote and Direct Community Participation in Disaster Response within the Framework of the Iranian Social Services System Ministry of Welfare and Social Security, Tehran, Iran AND Iranian Institute for Health Sciences Research	2008
Study Investigator: Designing a community based disaster management model for Iran Iran University of Medical Sciences, Tehran, Iran AND Iranian Institute for Health Sciences Research	2007
Study Co-investigator: Insured rural and provider satisfaction: family physician and referral system Medical Services Insurance Organization AND Iranian Institute for Health Sciences Research	2009
